# September 11 Peace Memorial

Reflect, Mourn, Take Action for a More Peaceful World

**Sunday, September 11, 2011  
2:00 PM - 3:00 PM**

**Lownsdale Square

Join community groups at a peace memorial commemorating ten years since 9/11, to remember all those who died that day and since that day in wars and due to related policies. This memorial event will feature speakers and musicians reflecting on the many who died on and after 9/11 in the US, Afghanistan, Iraq, Yemen, Somalia, Libya, Pakistan and at Guantanamo, among others. The location is two blocks from Portland's World Trade Center as a symbolic reminder 10 years ago, when many in the peace movement came together to say "not in our name!", calling on the US not to respond to the events in NY, Pennsylvania and Washington DC with more violence. Taking note of a prominent anniversary (10 years) and a widely celebrated act of violence (the death of Osama Bin Laden) there will be many in the community seeking a peaceful place to commemorate 9/11.
