

Why Won't the US Military Leave Afghanistan?

Friday, October 4, 2019 5:00 PM
PPRC weekly Rally/March for Peace and Justice

Pioneer Courthouse Square SW Yamhill & Broadway

The US invaded Afghanistan a few weeks after 9/11. Now 18 years later, the Trump administration has negotiated with the Taliban for a way for the US to extract itself from "America's longest war."

The plans call for leaving thousands of US troops in Afghanistan— nearly 9000 of the 14,000 currently there. The Pentagon, pundits and some Democratic presidential candidates are all supporting the idea of staying in Afghanistan-- presumably indefinitely.

Join us at this special version of the weekly Friday rally to say "Bring ALL the Troops Home from Afghanistan!"
