

Report Back from Palestine

with Michael Sonnleitner
(PCC Peace & Conflict Studies)

Saturday, Nov. 13, 2010 2:30 pm
Westminster Presbyterian Church
Fireside Room, NE 16th & Hancock

Please join Peace and Justice Works member Michael Sonnleitner for a "Report Back from Palestine." Palestinians live as second-class citizens, subject to the whims of the government of Israel, which has occupied the West Bank and Gaza in defiance of UN resolutions since 1967. Michael is the Chair of the Peace and Conflict Studies program at PCC and a Fulbright scholar. He visited Palestine after a stint teaching Gandhian thought in India.

Note: Michael's talk is scheduled to take place after the Peace and Justice Works fall quarterly meeting, which begins with a vegetarian potluck from noon to 12:30 PM, with the meeting from 12:30 to 2:00, in the same location at Westminster Presbyterian Church.
