Dear Governor Kulongoski: I urge you to exercise your legal authority as Commander-In-Chief over our Oregon National Guard by bringing them home. Consider the following reasons why you should order them home now: 1. Our Oregon National Guard are suffering far higher casualty rates than any other U.S. military group. 2. They have not been provided with the best safety equipment. 3. Their times of service far exceed their original commitment. 4. They are serving in an internationally illegal invasion of Iraq which has nothing to do with 9/11. Sincerely _ (signature) (printed name) Date
