Join us for soup and salad, followed by a slide show presentation by Mike Boehm of Madison, WI. We invite your generous donations for this work in Vietnam.

Beginning with the My Lai Loan Fund, established January 10, 1994, Madison Quakers, Inc. (MQI, Inc.) has established a number of projects in My Lai and more than 20 other villages in Quang Ngai Province, Vietnam. The objectives of these projects go beyond economic aid. These projects empower women, provide a more secure livelihood to impoverished families, encourage community involvement, and increase the self-confidence of the people receiving assistance. Most importantly, these projects give people hope.

*Mr. Mike Boehm welcomes this opportunity to speak in Portland on Madison Quaker Inc.'s work in Vietnam.*

*Tax deductible donations to: MQI, Inc. P.O. Box 1461, Madison, WI 53701 or see <http://www.mylaipeacepark.org/>*
