

WAR SHIPS ARE NOT FAMILY FUN

Visibility Action

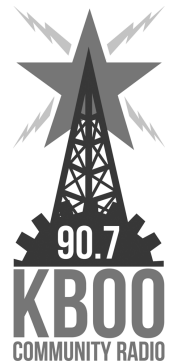

**Saturday, June 8, 2019
2:00-4:00 PM**

**Waterfront Park
NW Naito and Couch
(N. of the Burnside Bridge)**

The Peace and Justice Works Iraq Affinity Group is cosponsoring this year's annual War Resisters League protest at the Rose Festival, which calls attention to the warships docked at Portland's waterfront and the various recruiting booths that come with them. The visibility action will take place on the edge of Waterfront Park just outside the Rose Festival barricades.

The IAG pointed out the irony several years ago about the fact that the fences around the warships at the supposedly family-friendly Rose Festival are adorned with signs that say "No Trespassing—US Navy Restricted Area— USE OF FORCE AUTHORIZED."

*Event coordinated by War Resisters League Portland, cosponsored by Peace and Justice Works Iraq Affinity Group.
Media cosponsorship from KBOO 90.7 FM Community Radio*
