

# THE GULF WAR: 5 YEARS LATER

**TUESDAY, JANUARY 16, 1996  
Candlelight Vigil**

**4-6 PM PIONEER COURTHOUSE SQUARE**

**Fast--all day**

4 million Iraqis are at severe nutritional risk.  
4000 children under 5 die each month due to sanctions.  
Go without food today as a statement of conscience and in solidarity.  
Some of us will be in the Square beginning at noon.

**Moment of Silence--3:35 PM**

Where were you when the first bombs fell on Jan. 16, 1991?  
Wherever you are today, stop and take a moment, think about the devastation of war.
